**365 And A Wakeup:** This is one of the best, and most spectacularly literate, of the milblogs I've read, and I read a lot of them. I've added several new ones to my list, but I'd like to single **365AAW** out as of special interest to writers. All the entries are both fierce and lyrical, and this one in particular deserves some quiet reflection, being a poignant, personal snapshot of the sacrifices our people make overseas in the service of their country.
