

Frank O'Brien Andrew Is Dead

By Holly Lisle

Tam called me this morning with the news; Frank Andrew and his wife Gretchen drowned while boating on Lake Ponchartrain last weekend. Their bodies were found yesterday. Both were 39 years old.

Frank was a friend and colleague, a choice manuscript critter, an active commenter here, an intelligent, incisive, and joyful human being full of exuberance and delight in life, and quite honestly, I'm sitting here with tears in my eyes, still refusing to believe he's gone.

Both families are in my prayers.

For me, I'll miss Frank, though we never met in person. He was a good man, and he is gone too soon.
