

Friday Snippets for everyone

By Holly Lisle

I was just going to post snippets on Fridays. Zette suggested turning it into a *thang*, and opening up **Friday Snippets** to any writer who wants to participate. I thought that was a great idea but didn't want to run a web-ring. Now, with the very cool Mr. Linky, you can have a link to your **Friday Snippet** show up here, there and anywhere anyone else is participating, no web-ring involved.

To show up here, just add your name and link to your snippet in my Friday Snippet post.

To add Friday Snippets as a meme on your own site, go to Mr. Linky, register, use the auto-wizard and set up your weblog. Then follow the directions for adding a meme, and use the **Friday Snippets** code-42. Folks will read your Snippet when you sign in here, they'll find my snippets when I sign in on your blog, and we'll all have cool stuff to read on Fridays.

Thanks for participating. I'm looking forward to surfing snippets.

NOTE ON FREE MEMBERSHIPS:

If you can't afford a membership, you can still add the FRIDAY SNIPPETS meme to your blog.

1. Register at Mr. Linky. (This does not cost anything.)
2. Go to <http://www.blenza.com/linkies/wizard.php>
3. Choose your weblog type, Original Auto-Linkies (the free ones), and the meme you want. Mine is currently all the way at the bottom of the list.
4. Copy the codes and follow the instructions.
