Starting in this morning – will see how close I can come to done. I'm heading into a section with slightly less scrubbed-up pages, so maybe this next bit will go faster. And/or smoother. Both would be nice.

And TALYN landed in my lap yesterday, all 1150 pages of it. It weighs a ton. Actually, I think it weighs about 14 lbs, but we don't have a scale, so I'm not sure.
