

Good progress

By Holly Lisle

I only have about 3/4" of manuscript (measuring the stack) left to edit on **The Wreck of Heaven**. I'm going to have an amazing amount of typing to do when I get the edits done, but I still think I'll be able to get the clean manuscript and disk done this week.

Matt's fix on Lauren's story has worked out well. I'm past that part now, and hoping that the last section of the manuscript won't end up looking like the Frankenstein's-monster patchwork that the first huge chunk does.

I'm looking forward to having this done. Once it's finished, I get to get back to **Midnight Rain**.

And to think I thought these were going to be easy revisions. Hah.
