

Got a lot done

By Holly Lisle

Got mini-synopses for all four books in the proposal done, plus a good start on the first chapter of the first book. Need three in all – I figure a total of twelve thousand words, or three four-thousand-word chapters.

And I like what I got. I took a little break for breakfast and to add HollyCon information to the site (got a LOT of upcoming HollyCons), and now am getting back to work on the chapter. I'd like to finish the first scene before I break off to work on **Midnight Rain**.
