

Got the words, new book up

By Holly Lisle

Got over 2000 words today, and love the twist the story just took. The old man has oddly bright eyes, something that means quite a lot. And Genna just made a promise that's going to come back to haunt her.

In other news, Elizabeth Baldwin has finished **How to Have a Civilized Horse**, a wonderful book for writers as well as riders. I'm delighted to be able to present it in the shop.
