HeatherCW and onesikmonkee, providing they can get edits and comments back to me by WEDNESDAY evening, win the roles of Culture Clinic guinea pigs.

If either of them can't, I'll do a second run through the entries, and struggle to choose again.

These were very tough choices, and there were a lot of folks who will still be in the running.

And thank you again, everyone, for your wonderful entries, which DID make me feel better.
