

Hating Everything: The Up-Side

written by Holly

October 1, 2004

By Holly Lisle

Hating everyone and everything in the book is not all bad. It makes cutting out the chaff utterly painless.

The trick is to only amputate the few sick toes, and not lop off a leg just for the fun of it.

Which is to say I'm making nice progress on the revisions; I just have to remember that I have to have some pages left to submit when I'm done.
