

Have a late start today, and the same amount of work

- 2500 words on the book
- 1000 or better on the proposal

Code Red in hand, I'm about to get started. Today in the book, Seolar discovers the depths of trouble his world has just fallen into – and maybe Lauren returns from the afterlife. Maybe. Have to see how it all falls out.

In the proposal – well, I currently have 3951 words, so completing it today would be a distinct possibility. Again, have to see how that falls out. All right, then. Time to make the doughnuts.
