Cover for *Hell on High* – Painting by Clyde Caldwell

The cover art for **Hell on High** is also by Clyde Caldwell. This is my favorite cover of all the DEVIL'S POINT books. Here you see the nasty detective devil Glibspet and his unsuspecting lunch. I think the whole mood of this painting, with its Chandleresque mood and bizarre juxtaposition of serious and comic elements, is representative of the entire series. That poor, stupid poodle looks so *happy*.
