How much should I charge for Writers' Community Membership?

I'm FINALLY almost ready to open the Boot Camps

Students of my smaller courses have been asking me for a long time if there was any way they could join my writers' community.

It's taken me something like two years to figure out a way to do it, and Margaret and I have tested and shot down a multitude of different softwares and processes to get here.

But I'm about ready to open the doors of my private writers community to students other than my Big Course Students.

Here are my questions:

Lifetime membership, or a monthly (or other subscription time) fee?
If lifetime membership, then one payment, or multiple payments, or the option of both?
What price?

So I'm going to show you what I'm offering, and then I'm going to ask you to tell me what a lifetime membership to this level of the community would be worth.

Remember that this is a private writers' community with a focus on writing for publication. We have (and tolerate) no spam, no trolls, no flames.

It’s moderated, my moderators are spectacular (they’ve all taken or are taking all of my courses, they’re all writers.) The community members are amazing. I attend personally, and once I get my life overhaul finished, will attend regularly as I’m writing my way through my novels.

You can take a peek at the public areas of the community here:

You can take a look at the boards I’m opening up for the new level of membership here:

(Most of them are new, because I’m starting to offer workshops for courses that have never had them before.)

So, please take a moment, reply to this post, and tell me how much I should charge for access.

Thanks for your help.

I really appreciate it.

P.S. Here’s what current students say about the community.
