

How to sign up for How To Write A Series

By Holly Lisle

Major error on my part, judging from the number of questions and the amount of e-mail I've received on this.

I forgot to mention that you CAN'T sign up for the How To Write A Series course just yet. Today I just wanted to let you know it was coming.

I still have to create the first lesson, and that won't be available until next Monday.

And I don't want to have folks sitting around in an empty classroom twiddling their thumbs with a course they've paid for and nothing to do until then.

I told the folks who e-mailed me to ask that I'd start letting folks sign up the end of this week...

... But really, there STILL isn't going to be anything in the classroom until next Monday. I don't want you to pay me for something you can't start using right away.

So Monday I'll send out another e-mail, and include a link to the course, and you can sign up then.

I'm sorry I didn't mention this in the previous post.
