

How To Write A Series, the Week 2 video

By Holly Lisle

Having learned my lesson from my trials with the first **How To Write A Series** video I presented, I'm starting out this time with a video that I know works.

What a concept, huh? ☐

This is one segment from the second of five Week Two videos in the course. Here I'm discussing how to present the right details about your world in the first scene of Book One so your readers will "get" your world and be prepared for the sort of story you want to tell.

This runs just a bit over three minutes.

I hope you enjoy it, and get some cool ideas for your own writing from it.
