

I See You – Tracking Time

By Holly Lisle

Had some work stoppages and other stuff screwing with my schedule lately, but much to my delight, I'm still on schedule to finish ISY in 36 working days, doing 2000 words per day. Turn-in remains Dec. 1st. And I've still given myself ten full days for revision. That still gives me a couple of panic days or off days, or whatever they might end up being.

I've been damned slow getting started this morning. But I have a good scene to write today, and then a nice, relatively clean chunk of HAWKSPAR to do. I'm enthused.
