

I think I have the site switched over now

By Holly Lisle

Please let me know if you find links on the site that take you to the old Blogger weblog. If you're not sure, the one without the calendar is the old one.

Thanks.

Heading off to bed now so I can hit the book at 6 a.m. tomorrow. I'm planning on skipping forward through a couple of happy but uneventful days and diving into the next big nightmare tomorrow. Should be fun.
