I forgot to post this here yesterday, but I'll be creating the **How To Revise Your Novel** course. The response was ... ah ... pretty convincing. ☐

I'm currently collecting your questions about the revision process, and your comments about the parts of the process as you do it now that give you the most trouble.

I have a short poll and comment box up on [HowToReviseYourNovel.com](https://hollylisle.com)—if you're interested in the course, please head over and let me know where you need help.
