

# I'm feeling better

By Holly Lisle

Mostly, anyway. And yesterday and today I managed to get my words on the page. So I'm still on schedule.

And I heard from Diana Gill (my editor at Eos) today that **Gods Old and Dark** passed the revision test; she's approved it and now it'll move on into production. Ah, happiness.

Huge thanks to my beta readers, whose comments I worked from throughout the entire revision process. You folks were lifesavers.
