

I'm on Facebook

By Holly Lisle

One of my cousins invited me to join Facebook and "friend" him. So I did. By the way, if you're there, I'd be delighted to "friend" you, too.

So my big question now is, now that I'm there, what's great about Facebook? Any of you folks use it, or know what's cool about it? What do YOU do with it? I've vaguely heard of it, but have never even been there until today.
