

In Search of Suckitude

By Holly Lisle

This month's **Vision** workshop, titled How To Write Suckitudinous Fiction, which no doubt betrays me as the "lowbrow" champion of workmanlike prose and blue-collar fiction (Well, I am. I even had a reviewer tell me so. So there.) is now available. I hope you enjoy.

In further **Vision** news, starting with the next issue, **Vision** becomes a paying market.

On the writing front ... well, that just sucks. Stalled again. Three days.
