I'll be talking about TALYN with Michael and Evo on Dragonpage this Saturday. I'm not sure when the interview will post, but I'm delighted to have the opportunity to chat about the book with them for a while. And I can highly recommend the other interviews on the site.

If you don't have your own podcast reader (I don't, for example), just click the "PupuPlayer Free" link attached to the interview you want to hear. It's a content streamer, and worked flawlessly on my Mac – guessing it will work equally well on other platforms.
