Judi Lundy died last night at 11:15 pm. According to her son, she went peacefully and without pain.

She was Fan GOH at Concave 26, from March 4-6 this year, and I had a picture of her from that, which I wanted to post here. I can’t find it.

She was a wonderful, caring person, and those of us who were lucky enough to know her will miss her very much.

Thank you for your prayers for her, and for keeping her in your thoughts, and thank you for once again letting a little bit of my life intrude into yours.
