Today the rest of the book gets done, whether it takes four hours or twenty-four. The manuscript has to be in my editor's mailbox by nine AM tomorrow, no matter.

I have less than a hundred pages of type-in left. However, they're the hundred pages that include the most extensive changes, with three red scenes to add in.

Starting at 68,535 out of 86,070 words. Need to finish at right around 90,000 words.

It's gonna be a long day.
