

Late entry, bizarre day

By Holly Lisle

I got the edits done for **The Wreck of Heaven**. The community crashed and stayed crashed for quite a few hours. I've been working like a dog on the **Together We Stand** e-book that has to be done and on the site September 11th. It's been a long day and looks like its going to be a lot longer. Just wanted to come in here, wave, acknowledge the day.

Tomorrow is probably going to be a zoo, too.
