This has to be quick, because I still have to do my OWN worksheets before the show so I can discuss how I got the idea I got. Since I don't yet HAVE the idea... you see the problem.

Download your worksheets here: <https://www.alonewithinvisiblepeople.com/downloads/#youtube1>

The workshop is here: <https://www.youtube.com/watch?v=etaIXTw7BbM>

Starts at 1:00 PM, I may open a couple minutes early to test sound and make sure Becca and I have the process for getting questions from the workshop to me organized.

We'll run for about an hour. Maybe a little longer, but not much, because this is planned to be short, focused, and to help you understand what goes into creating a novel idea. And what doesn't.
