

Longview 4: Gunslinger Moon

By Holly Lisle

So Longview 4: Gunslinger Moon is done, it's coming out in print and Kindle versions first, and you can get it on December first.

Meanwhile, however, I have the first 3 chapters up here:

And I'm very happy with the way this story came out.

I started on the first draft of the new version of ***Vipers' Nest*** today, by the way, and have it laid out. Two stories instead of six, much tighter, much more focused. A LOT is coming out, but what goes in in its place will be better.
