

# Looking at a delay in the publication of WARPAIN'T #WABWM

By Holly Lisle

7:51 AM

Have actually been working for a while, so my start time was probably 7:30 AM.

I have, in theory, 18 pages left on the write-in. Theory, however, ignores the fact that I realize I dropped two threads, and I'm going to have to write a couple of scenelets, or interstitials, or maybe even a full-length scene, to deal with both of them. Or worse, each of them.

In theory, I still have today and tomorrow to do my write-in to hit my Nov. 20 deadline.

In fact, I added a LOT of new material to the story, and type-in is probably going to take more than three days, even though I already have a hundred pages of it finished.

And I don't have the WARPAIN'T song recorded or the video made.

So at this point, I'm almost certainly looking at a November 27 release, rather than a November 20 release. And even that is starting to feel pretty tight.

□ ARGH!

If you're playing Write A Book With Me, kick ass on the words, and write with joy.
