

Looking up something for my son, and found this auction

Seven of my books, starting bid \$4.99

It's a pretty sweet deal if you can get it for cheap – it includes like-new copies of **Sympathy for the Devil** and **Hunting the Corrigan's Blood**, which are a bitch to find anymore (I've seen copies of SFTD going for as high as \$50, so it could be a *really* good deal if not too many people bid), plus the complete Arhel series (**Fire in the Mist**, **Bones of the Past**, and **Mind of the Magic**), and, finally, **Minerva Wakes** and **Mall, Mayhem, and Magic**.

As of right now, the auction ends in three days and 8+ hours.

(Oh – important note: This is not my auction – I can't vouch for this guy or anything. He has a good rating, but I have no links to the auction. I just spotted it and it looked like a potential good deal.)
