

Lost Work Yesterday

written by Holly

January 22, 2005

By Holly Lisle

Got to 48,197 yesterday before a knock-out headache hit. My eyes are still odd and achy today. I'll have to count yesterday as about half of a re-think day. Which means I have 4.5 of those left – and I didn't get any re-thinking to show for it.

Today, to 51,197.
