If you've landed here, you've tagged yourself as a reader of just my fiction, (not my writing classes or workshops), and you'll just receive emails I send out to everyone, and emails I send out to folks who like my fiction, or some parts of it.

If that wasn't the result you expected, please just reply to the email that sent you here, and let me know something went wrong, and where you should have ended up.

I read my emails, though I get a lot of them and cannot answer everything.

If you title your email TAG CHANGE REQUESTED, I'll be able to search through my emails to find it.

If you then let me know which emails you want to receive (my fiction **reader** only, my reader who also writes fiction, or fiction **writer** only) I'll fix your email tags to reflect that.
