

Manuscript Crit Auction on Ebay

I'm offering a 60-page partial manuscript crit with extras. Just one for now. Doing them right takes a lot of time.

Ask questions on that particular auction through the Ebay mechanism – it makes it easier to keep track of everything, and if your question is of general interest, I can add it and my answer to the listing.

For those of you who are bidding on this, or have bid on the other auctions, thank you very much.
