

Mind of the Magic (Back)

By Holly Lisle

Mind of the Magic (back cover) – Painting by Clyde Caldwell

The back cover for Mind of the Magic, and the only wraparound cover I've had to date. In the center of the right side, you can see the overlap of the living Klaue's wing connecting to the Klaue ruins with their carved Klaue. Again, the detail work on this is wonderful. Clyde even got the statues' eyes right; they were obsidian, unlike the whitestone used for the rest of the carvings, and

seemed alive to the folks discovering the ruins.

I love this cover.
