Not bad for a Monday. I mostly like the words I got – and the ones I don't like can sit there and think about what they've done until I come back around for the revision.

877 for the day, 40,225 total for the book, and I did manage to get a piece of one mystery in there, and I left myself in a good spot to pick up tomorrow.

So now...

Laundry.

And then the other Activities of Daily Living that get us all from today to tomorrow... when I shall write again. ☐
