

Mondays are Rough – 1159 words (about a hundred words short), and I like my progress...

By Holly Lisle

Today was tough. Just was.

I had a lot of things I had to do first (15ths of the month or their equivalents fall into every life, and the actual 15th of each month is mine.)

I love a lot of what I got.

Met my MC's great-grandfather.

I did some very good worldbuilding that is going to help me out in the rest of the series...

And I got a net gain in words.

Just not the 1250 I'm shooting for every day.
