By Holly Lisle

I have made the full versions of the **How To Think Sideways** movies for Month One, Two, Four, Five, and Six publicly available. Month Three is a private discussion between me and my students, and will not be made available. The rest, however, you can now post to your website, download to your iPod, or recommend to friends. If you want to do this, this is the link to my **Holly Lisle On Writing** show page.
