Got a nice e-mail from the president of Diesel Books letting me know that they carry my novels in e-book form, and that I could give you a coupon good for 45 days to order them.

And they have VENGEANCE OF DRAGONS, which is the e-book people keep telling me they cannot find in any other form, or elsewhere, so I thought thing would be a neat bit of info to pass on.

The coupon will expire 45 days from today.

Coupon:

Copy and paste—it's case sensitive.

And you can get the books here:

**Complete SECRET TEXTS series,
VINCALIS THE AGITATOR, and complete
WORLD GATES series**

This is not an affiliate link—I offer it only because it seems like a decent deal.
