

Nearly 11 PM

By Holly Lisle

Just finished day one of the type-in. I can hope the next days go faster than this one, but I don't think I can hope it and be realistic at the same time. I need to have 10,000 completed words done each day, and I got that today, but it was a long, long haul.

First three chapters are in the can.

And I need to sleep, because I need to be up to do this again tomorrow.

But it's worth it. This time the book is falling right, fitting the way it needs to fit.

Still. Miles to go.
