- Joely Sue Burhart, writing blog
- The Mudville Gazette, milblog
- Carolyn Jewel, writing blog

And this one makes the “I’m thinking adding about it, because it is so very different” list. Susan Stephens Writing Diary.

Recommendations for excellent writing references, writing weblogs or diaries, or milblogs welcomed in the comments link below. In the writer category, I’m specifically looking for weblogs by both professionals who update regularly and articulate amateurs who are working to go pro.
