I'm delighted to announce that *The Longview Chronicles*, the complete six-book series in one volume, **is on sale through Friday for \$2.99**— *regular price will be \$7.99* for the complete series in ebook form, but I wanted all of my folks to get the whole series for the price of one episode.

For folks who are wondering, Cady is in the series (as is Herog), and this is the (very big) book that fits between *Cadence Drake: Warpaint* and the next novel, *Cadence Drake: The Wishbone Conspiracy*, and shows you what's happening during and right after the end of *Warpaint*.

When the trusted are monsters, one monster becomes a hero...

In the vast reaches of Settled Space, everything is legal, or at least obtainable privately... for a price.

Science has created near immortality, and the wealthy and powerful are buying it to make themselves gods. But these gods require—and create—an endless procession of manufactured criminals who become human sacrifices for their amusement...

Until one twisted creature born to be a sacrifice discovers the truth. This escaped slave declares a secret war against corruption, enslavement, and the wealthy, powerful men and women who have declared themselves gods, and made their whims law.

And for folks who already have the first five, for the rest of this week, *The Owner's Tale*, the brand new concluding episode, will be on sale for \$.99.

When the truth comes out, who is left standing?

In this final episode of the series, the Longview reveals its secrets, Herog finds the path to protecting the City of Furies, and Melie discovers the truth about the ship she captains and the owner she serves.

MEET THE LONGVIEW – An Ancient Spaceship Resurrected To Transport Conspiracy

Inhabited by a crew of misfits fleeing nightmare pasts, with a cargo of Condemned slated to die at the hands of the highest bidders, and with a passenger roster made up exclusively of people NOT who they claim to be, The Longview serves the

hidden agenda of an eccentric recluse bent on playing puppetmaster to all of Settled Space.
