

New Hawkspar Sketches

written by Holly

January 4, 2006

By Holly Lisle

Forgot to mention that I put up new Hawkspar background sketches, including some costuming stuff, over the holidays.

When I update the site, I really do need to remember to make note of it.

Incidentally, all the images are set to load into a single separate window. If you click them one at a time, you can see each in turn, and then only have to close that one window when you're done.
