

New Look, More Help

written by Holly

I have redone my site's front page.

Take a look at the redone front page here.

- Does this help you use the site?
- Does it simplify finding what you were looking for?
- Does it let you know I have resources available that you did not realize were there?
- Does it save you time?
- Is everything clear and understandable?
- Is everything easy to use?

I would really appreciate comments.
