

New World Clinic outline is done :D #wabwm

By Holly Lisle

So I've been awake since 2:30 AM.

Four and a half hours of sleep. I'm already wiped out.

BUT... I have finished the new outline for Create A World Clinic.

Got 350 words yesterday.

No words today—nor will there be, because, having outlined the book, I'm now going back to bed so I can meet Margaret online at noon and set up the first course in the new classroom software.

It's done. Margaret and I have been working toward a new classroom with unified affiliate program and all classes in one place, and it's FINALLY REAL.

I'm so happy.

Have fun. Write with joy.

Giddy exuberance, even. 😊
