

New Writing Course Goes Live

By Holly Lisle

Holly Lisle's **THE WRITING CRAFT: Dialogue** -- Episode 1: Dialogue and Subtext

I'm delighted to announce that I finally got my act together and put up Episode One of **THE WRITING CRAFT: Dialogue**, which is *Dialogue and Subtext*.

Have tested everything, it all works, and you can check it out now.

This is the first time I've done a pure video course (though naturally it includes worksheet and transcript as well), and I'm delighted with the way it's coming together.

Each episode stands alone, and you'll be able to buy only the ones that interest you, or eventually, whole sets.

Future episodes in this 8-part series will be out as close to monthly as I can make them—but I am deep in novel now, and reserve the right to focus on *Dreaming The Dead* as necessary to do it right.

I hope you'll find Dialogue and Subtext enlightening, helpful,

and fun.

And I hope you have a great weekend. Back Monday.
