

News on HAWKSPAR

By Holly Lisle

I can barely believe this, and I keep waiting for the other shoe to drop.

But...

Tor is printing out galleys now for HAWKSPAR, and will be sending a few to me.

Without cutting the book in half and printing it as two books. Without me cutting 60,000 words from the text.

According to Robin, it's to be printed in one volume and intact.

I can't believe it. I'm jubilant.

I don't have a release date yet. I'll see if I can get one.
