

NO Cancer!!!

By Holly Lisle

My mother-in-law received the best of all possible news. Her final tests came back negative (which means she's in the clear), she is cancer-free, and though she is ill, she'll make a full recovery. She's going to be all right.

To everyone who sent her good wishes, prayers, positive vibes and so on, **thank you**. You folks are wonderful.

Please continue to keep Mary's son in your thoughts and prayers.
