

No Sleep

By Holly Lisle

We're already in the outer bands of Alberto, and lined up for a direct hit, and I can't sleep. So I'm working on the **Language Clinic** (editing is easier than writing right now).

Jean is offering a BookPack giveaway: A copy of **Talyn**, a copy of Lynn Viehl's **Dark Need**, a copy of Lazette Gifford's **Muse**, and a book of the reader's choice by Tamara Siler Jones to one lucky winner. Check her site for details on how to enter.

Back to possessives and plurals.
