

No Soup For You*

By Holly Lisle

Sheila recommended WriteWay; I went to have a look, and from the promotional material, it sounded like something worth checking out.

Of course, I can't. No soup for me.

SYSTEM SPECS:

"WriteWay runs on Windows 98 2nd Edition, Windows 2000 or XP

Recommended System Requirements

- o 128+ MB RAM
- o 20 MB available disk space
- o 1024 x 768 screen resolution (no max)

Minimum System Requirements

- o 64 MB RAM
- o 10 MB available disk space
- o 800 x 600 screen resolution

Sorry, no Mac version available at this time."

Well, no customer available at this time, either, then. And no recommendation, and no possible glowing review.

*Title from a Seinfeld episode.
