

Nora Roberts Is My Hero

By Holly Lisle

Nora Roberts is matching, dollar-for-dollar, donations made to Habitat for Humanity.

God, I wish I could do that. How amazing. I'm adding her to my Hurricane Help List; I love Habitat for Humanity. It's one of the few charities I trust to actually get the money you donate to the people who need it in a form they can use, without swallowing most of it into advertising and director salaries.
