Drug Dealer...Maybe

You scored 61 Street Knowledge points, 65 Culture points, 61 Gang Knowledge points, and 62 Thug Mentality points!

You know the ins and outs. You might have even used a couple. You know the right connects and how some shit works, but you're either just come to the block, or you just tryna stay up outta the bullshit. You might have slang some ish to the HNIC's but you got no will, or just ain't put in the work, to be there.

My test tracked 4 variables How you compared to other people
your age and gender:

You scored higher than 99% on Street Knowledge

You scored higher than 99% on Culture

You scored higher than 99% on Gang Knowledge

You scored higher than 99% on Thug Mental

Take the test
