Am at 33,100 words, which leaves me less than 1000 to go for the day. Have just finished the day's Hawkspar scene, and I'm quite pleased with the way that turned out. I got a very solid cliffhanger-torture-the-protagonist ending. I like those.

Now I'll do the first half of Rik's scene, with him dealing with a den of thieves in the port city of Midrid, and getting ready to get out of town.
